SUMMER SCHOOL

The Summer School is devoted to young scientists and technicians either entering the field of coatings or seeking in-depth knowledge in the selected topics, which will be presented in three parallel lectures:

- Functional coatings
- Film formation of waterborne coatings

- Life cycle analysis of coatings
(preliminary)

Additional fee for attending the Summer School: € 30 (Ex VAT and only in combination with registration for the congress)

AMSTERDAM: THE FINANCIAL AND CULTURAL CAPITAL OF THE NETHERLANDS

Being one of the greatest small cities in the world, Amsterdam has all the advantages of a big city: a rich cultural programme, international restaurants, nightlife and good transport but with little road traffic due to its extensive canals. Get a bike to experience the beauty of Amsterdam and discover a city where your destination is never far away.
